

How will you know how much you have earned?

We want to keep you updated! We'll send you verification of each patient we see that was referred by you. Each verification will tell you the current level of savings you have coming.

So send them on in!
We'll make it
worth your time.

Thanks for your patronage!

We strive to remain at the forefront of eye care technology.

You trust your eyes to us, and we wish to express our gratitude.

In appreciation of your trust, we're happy to offer you our Eye Care Referral Program. This program allows you to earn substantial savings while receiving the finest eye care services and products available.

It is not our philosophy to provide "Super Market Eye Care" or second-rate materials; however, we believe you deserve to save some money.

Please refer to the following page to see how you can earn up to 100% off (up to \$350) on eye care products when you "Share the Care."

Refer friends and family and **Save 10-100%**
